SKILLS & DESIGN

User Interface (UI) Design
User Experience (UX) Design
Wireframing & Prototyping
Graphic Design
Video Editing

TOOLS & TECHNOLOGIES

Figma
Canva
Pixlr
MySQL
Firebase
Adobe Photoshop

PROGRAMMING LANGUAGE

HTML, PHP,CSS,JS
C, C++, C#, Java, Python
SQL

SOFT SKILLS

Problem Solving
Teamwork & Communication
Creativity
Time Management

EDUCATION

Bachelor of Computer Application (BCA)
Kantipur City College(KCC)
(2021 – 2025)

+2 High School, Computer Science
Reliance International Academy (RIA)
(2019 – 2021)

Secondary Education Examination (SEE)
Tri-Jyoti Higher Secondary School

CERTIFICATES & ACTIVITIES

- IT Workshop — IT Exploration, Network & Security, Programming, Multimedia, IoT
- Promoting STEM Education in Community Schools
- Exhibitor, KCC Exhibit 2024 — "Ora2PG" (PostgreSQL migration tool project)
- Participant AI/Web3 Hackathon
- Wordpress Workshop

PROFILE

UI/UX Designer and Frontend Developer with hands-on experience designing intuitive, user-centered web and mobile applications. Proficient in Figma, HTML, CSS, JavaScript, React, and responsive design principles. Skilled in user research, wireframing, prototyping, design systems, usability testing, and graphic design, with working knowledge of frontend development that enables seamless collaboration with engineering teams and implementation-ready designs. Passionate about creating accessible, visually engaging digital experiences that solve real-world problems and enhance user satisfaction.

EXPERIENCE

UI/UX Designer & Tutor — Sipalaya Infotech June 2025 – March 2026 (10 months)

- Designed user-friendly web and mobile interfaces in Figma, from wireframes through high-fidelity prototypes.
- Built and maintained reusable design systems to keep interfaces consistent across products.
- Led UI/UX training sessions, mentoring learners on design fundamentals and tools.
- Partnered with development teams to translate designs into usable, implementation-ready interfaces.

UI/UX Designer (Freelance) — Self-employed 2024

- Designed and developed UI/UX solutions for academic and client projects.
- Created wireframes, prototypes, and responsive interfaces using Figma.
- Collaborated with clients to understand requirements and deliver high-quality solutions within deadlines.

PERSONAL PROJECTS

Raktsewa — Web Application (2025)

- Designed user-centered interfaces for a blood donation and healthcare management platform, including donor registration, blood request workflows, appointment scheduling, and hospital management features.

Merobyapar — UI/UX Design (2025)

- Designed a Karobar-inspired interface with responsive layouts and intuitive user flows.

Sipayala Website — UI/UX Design (2025)

- Designed a modern, user-friendly website interface focused on clarity and usability.

Yatriya — UI/UX Design (2025)

- Designed a travel booking website interface focused on accessibility and a seamless booking experience.

Chat To — Web Application (2024)

- Built a full-stack real-time chat application with secure authentication and a modern, responsive UI.

MINA (My Intelligent Nursing Assistance) — Web Application (2024)

- Designed telehealth interfaces covering patient consultation, appointment management, and mobile-first workflows to improve healthcare accessibility.

Aa:nya — E-Commerce Web Application— Web Application (2024)

- Designed a modern e-commerce interface covering product browsing, shopping cart, secure checkout, and order management to deliver a seamless online shopping experience.
